The Harley-Davidson WLA is a Harley-Davidson motorcycle that was produced to US Army specifications in the years during and around World War II. It was based on an existing civilian model, the WL, and is of the 45 solo type, so called due to its 45-cubic-inch (740 cm³) engine displacement and single-rider design. The same engine, in a slightly lower state of tune, also powered the three ...

A sound trademark is a trademark where sound is used to perform the trademark function of uniquely identifying the commercial origin of products or services.. In recent times, sounds have been increasingly used as trademarks in the marketplace.However, it has traditionally been difficult to protect sounds as trademarks through registration, as a sound was not considered to be a 'trademark'.
