Television (TV), sometimes shortened to tele or telly, is a telecommunication medium used for transmitting moving images in monochrome (black and white), or in color, and in two or three dimensions and sound. The term can refer to a television set, a television program ("TV show"), or the medium of television transmission. Television is a mass medium for advertising, entertainment and news.

In the United Kingdom and the Crown dependencies, any household watching or recording live television transmissions as they are being broadcast (terrestrial, satellite, cable, or Internet) is required to hold a television licence. Businesses, hospitals, schools and a range of other organisations are also required to hold television licences to watch and record live TV broadcasts.
