Quicken is the granddaddy of personal finance software, and it's the product users love to hate. I've been a Quicken user since 1992 — now over 26 years. I used to track every one of my 60-plus accounts with Quicken.

### **Quicken 2019 for Windows Review | Should You Purchase?**

If you're a long time user of Quicken, you're beyond the "help me build my budget" phase. If you're more interested how your investment account is performing and less interested in just knowing how much you're spending on groceries, Personal Capital is a great Quicken alternative (but it'll also pull your credit card transactions so you will know how much you spent on groceries if you want!).
