The Engine Room of a Steelband (Steel Drum Band) Engine room is a term used to describe the group of un-pitched percussion instruments that accompany steelbands (steel drum bands). These instruments provide the timing and rhythmic drive for the entire band and are an important section in most steelbands. This section may not be necessary...

Engine Room; Prayer Resources; We believe that God chooses prayer as one of the primary methods by which He moves. This is a profound responsibility and privilege that we take very seriously. We consistently gather as the people of God to lift up the local body, praying that the Spirit would move in mighty ways among us and use us to further ...
